Docket No. 2007-336-C

Dear Mr. Terreni:

We have received a copy of a letter to you from the Office of Regulatory Staff ("ORS") dated October 24, 2007, in the above-referenced matter. In the letter, ORS asks that the Public Service Commission of South Carolina ("Commission") "require FTC and FTC-D to assume any financial obligations of FLD to the intrastate Universal Service Fund and the Interim LEC fund due to the transfer of FLD's customer base."

I am writing on behalf of FLD, FTC, and FTC-D to advise the Commission that the companies will and have always intended to honor all commitments to the intrastate Universal Service Fund and the Interim LEC fund. Payments into these two funds are based on end user retail telecommunications revenues and intrastate switched access minutes of use, respectively. FLD, FTC, and FTC-D are affiliated companies, and will continue to track revenues and minutes, and will assign them to the appropriate entities for reporting and payment purposes, as they have done in the past. The Application in this matter will have no effect whatsoever on that process; however, certain revenues and access minutes of use that are now being assigned to FLD will be assigned to FTC and FTC-D after approval of the Application.
